

GWINNETT COALITION
**GREAT DAYS
OF SERVICE**

Gwinnett Great Days of Service

October 21-22, 2016

Support the Biggest Volunteer Event of the Year!

The Gwinnett Coalition for Health and Human Services envisioned Gwinnett Great Days of Service seventeen years ago in the spirit of Gwinnett's legacy slogan, *Success Lives Here!*

Over 16 years later, this one event has risen to the challenge by increasing community awareness, inspiring a legion of service-driven volunteers, and involving supporters with community-centric vision to give back through time, talent, and treasure. Together these efforts by volunteers and supporters have helped provide critical needs and project completion for many agencies and organizations that the Gwinnett Coalition represents and supports.

Gwinnett Great Days of Service addresses specific needs in the county through volunteerism and completion of critical service projects at local non-profits, service organizations, and schools. These projects build community support while educating citizens and leaders about outreach to the organizations around them. In 2015, the event had over 97,000 volunteers. Volunteers from

corporations, local businesses, youth organizations, church groups, schools, individuals, and families assembled from the 16 cities of Gwinnett to complete 400 service projects. Once again, this community-wide initiative in its 16th year surpassed past goals and rose to become the largest volunteer initiative in the country!

As we begin our 17th year, we are contacting past and current supporters to consider joining us to support the 2016 Gwinnett Great Days of Service on October 21-22, 2016. We intend to surpass our past successes and know your partnership is critical to achieving this next year of volunteerism.

*Make a difference...One day
at a time!*
